

# Maths games

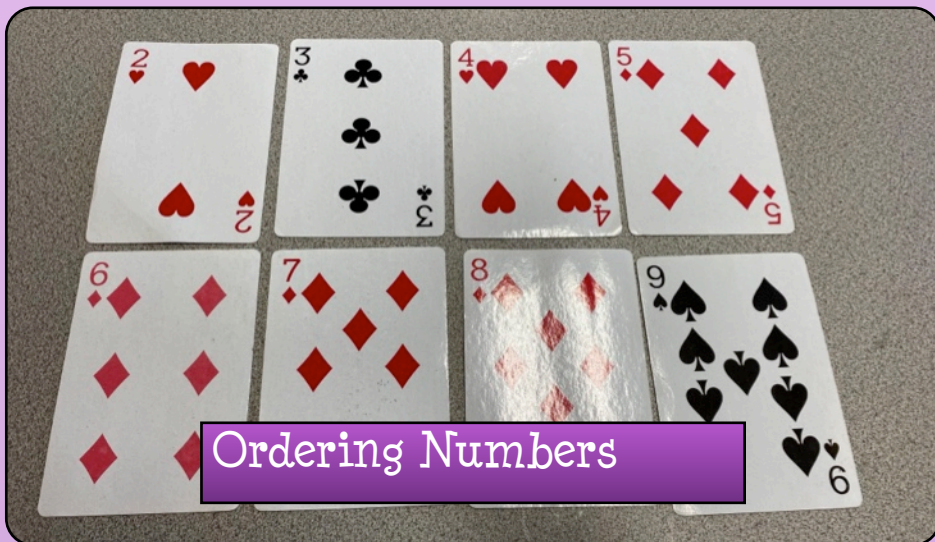

A grid of cards for a number addition game. The cards are arranged in three rows and three columns. The first row contains a green card with the number 3, a yellow card with a plus sign (+), and a yellow card with the number 7. The second row contains a red card with the number 5, a yellow card with a plus sign (+), and a blue card with the number 4. The third row contains a yellow card with the number 2, a yellow card with a plus sign (+), and a red card with the number 9.

Number Addition

Two hands are shown holding playing cards over a table. The left hand holds a 2 of hearts, and the right hand holds an 8 of diamonds. A large, colorful 'WOW' graphic is in the top right corner.

Who has the bigger number?

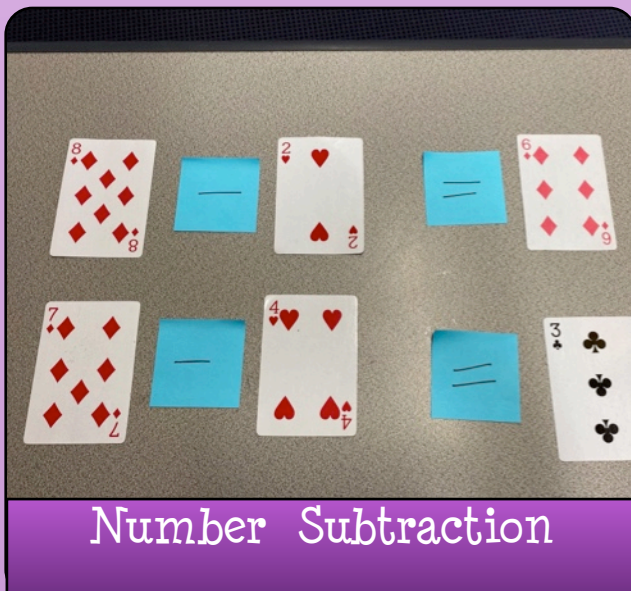

A set of playing cards laid out on a table to show a sequence of numbers from 2 to 9. The cards are: 2 of hearts, 3 of clubs, 4 of hearts, 5 of diamonds, 6 of diamonds, 7 of diamonds, 8 of diamonds, and 9 of spades.

Ordering Numbers

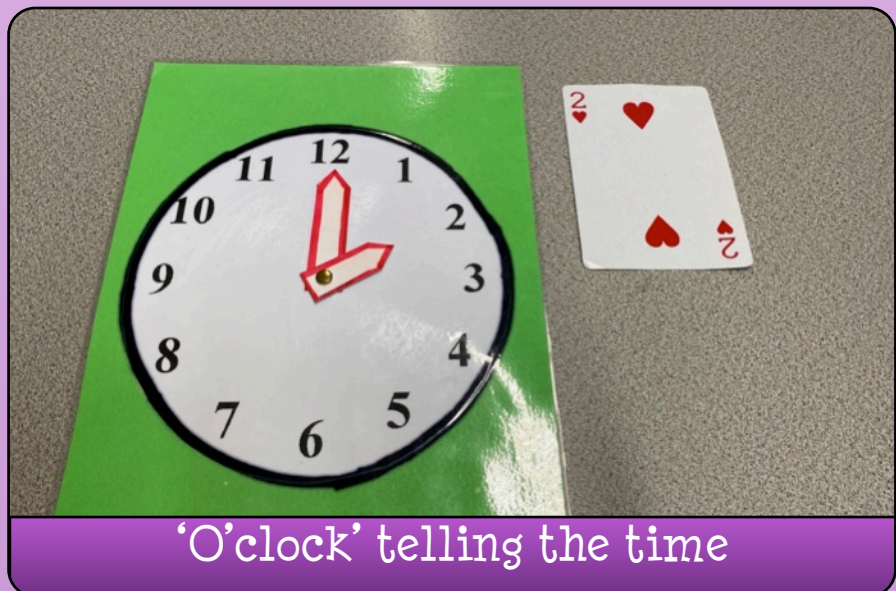

Dominoes are arranged on a carpeted floor to form a line. Below the dominoes are yellow cards with numbers 4, 5, 6, 7, 8, and 9. The text 'DOMINO LINE-UP' is written in large red letters across the middle.

DOMINO LINE-UP  
Different ways to make a number

Two subtraction problems are shown using playing cards and blue sticky notes. The first problem is 8 minus 2 equals 6, using an 8 of diamonds, a 2 of hearts, and a 6 of diamonds. The second problem is 7 minus 4 equals 3, using a 7 of diamonds, a 4 of hearts, and a 3 of clubs.

Number Subtraction

A clock face is shown on a green background. The hands are positioned to show 12 o'clock. To the right of the clock is a 2 of hearts playing card.

'O'clock' telling the time
