

Pre-Primary Term 2, Week 2- Maths At Home Tasks

Focus: numbers that come before and after, counting amounts with 1-1 correspondence.

<p>Before and After Cards: Flip a number card (1 to 10) and write that number in the middle of their page. Write the number that comes before and after that number.</p>	<p>Number Ordering Game: Sort a deck of cards to have Ace-9 cards only. Collect one card at a time. Place your card in front of you to make a number line. The first person to make their number line with 1 (Ace) -9 wins. If you choose that is already in your number line, you do not collect another card.</p>	<p>Number Line Race: Have a number line (between 3) and a dice. Roll the dice and the first one to reach ten is the winner. Children must land exactly on ten otherwise they move back on the number line.</p>
<p>Snap: Play snap with number cards.</p>	<p>Shape Tracing: Trace around the different shapes.</p>	<p>Number Match Worksheet: Cut, match and glue correct number cards to match the dice.</p>
<p>Number Line Counting: Place your 1-10 number line out. Use things around the house to match quantities to each number.</p>	<p>Number Writing Worksheet: Trace and write the numbers 0-10.</p>	<p>Before and After: Children complete before and after number worksheet.</p>
<p>Ordering by Height & Weight: Collect 5 objects from around the house. Order these from tallest to shortest. Then order them from the lightest to the heaviest. Take a photo of your heaviest and tallest object.</p>
