

MUSIC

Music should be fun and creative!!
Choose 2 (or more) activities from the ideas below....

Be a D.J in Garage Band

Used Live Loops in Garage Band
To create a 1 – 2 minute song.
The song should have a clear intro, then
build in the middle and a suitable ending.

Learn a new song with actions and
perform it for your family.

Make a **play list** of songs that make
you feel happy.

Use YouTube to learn something new
Beat Boxing
Make a homemade instrument
Learn a rap
Play the guitar or piano

Learn your note names

Download Staff Wars on your iPad (\$1.49)
and practice your note names on the treble
clef

What's your best level?

Practice your recorder 5 mins a day.
Get good at a song and perform it for
someone.

Compare a movie that has been remade

Watch the Original and the remake.

- Are the characters the same?
- Is the story line the same?
- Is the music the same?
- What differences did you notice?
- What was the same about the movies?
- Suggested movies: Annie, Lion King, Aladdin, The Jungle Book, Dumbo, Beauty and the Beast, Grease.

Use Incredibox on the iPad or on the
computer to create beat box music.
Record and share your song to someone.
