

STEM CHALLENGE - Week 1

Design a raft that can hold an egg without sinking.

- *Use materials around your house.*
- *Float your egg in the sink or bathtub!*

- *Complete the Stem Challenge Recording Sheet.*

STEM CHALLENGE - Week 2

Pretend you are designing a zoo.

ZOO DESIGN

- *Choose objects to represent people and objects to represent animals.*
- *Using materials from around your house, build a bridge for the people that animals can walk under.*
- *Add some extras to make your zoo interesting and functional.*
- *Complete the Stem Challenge Recording Sheet*
