

Weeks 1 & 2 – Term Two

3 + Learning Grid

Use this grid to choose activities that will keep your brain thinking while we are not at school.

Reading and Viewing

“Day 2 - View Planting a Rainbow”

Connect to

<https://classroommagazines.scholastic.com/support/learnathome.html>

Read ‘It Could Still Be a Flower.’

Complete activity *Eat Plant Parts.*

Narrative

Hairy Maclarey

<https://youtu.be/h-JSbRo1jvs>

Picture Book: Hairy Maclarey from Donaldson's Dairy
Author: Lynley Dodd

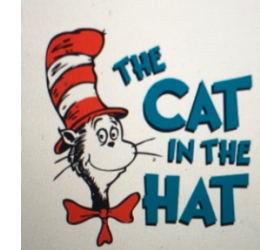

Children learn best when picture books are read and reread. Read the picture book to your child every day and include different sets of questions with your book sharing time.

Page	Questions to be asked	Answer
1	What is Hairy Maclarey? Answer question: Who is Hairy Maclarey? Background question: Why did he invent Hairy Maclarey?	2
16-17	What is Hairy Maclarey doing? Answer question: Why is Hairy Maclarey looking for food? Background question: Why does he look like that?	2
24-25	What will happen next? Answer question: How will Hairy Maclarey get his food? Background question: How will Hairy Maclarey get his food?	3

Listen to the story together and ask your child the attached questions whilst reading.

Rhyme

Choose books you have at home that have rhyming words within the stories (such as Dr Seuss)

Gross Motor Skills

Animal Walks

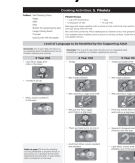

Gross Motor Skills

Create an obstacle course in your home or backyard that includes some gross motor skills, such as climbing, hopping, jumping with two feet together, balancing and skipping.

Activity Retell – Cooking

Use the attached recipes to make pikelets and iced biscuits. Use the steps to help you with your activity retell.

Numeracy: Number Hunt

On small lovehearts, write the numbers 1 -6. Hide these around the house (easy enough for your child to find). Once all of the numbers have been found, get your child to match it to its number on the egg carton.

Numeracy: Measurement

Collect five of your favourite teddies and order them from smallest to tallest.

Numeracy

Leaf Hunt. Go for a little walk outside. Find some big leaves. Write a number between 1 and 6 on each leaf. Get your child to then peg on the corresponding number of pegs.

Counting Songs

Search youtube for 'Counting songs for children'

- *Five Little Ducks
- *One, Two, Three, Four Five, Once I Caught A Fish Alive
- *Five Little Speckled Frogs
- *The Ants Go Marching

Fine Motor: Cutting

Have fun completing these snipping activities! Remember how to hold your scissors - thumb on top in the small hole.

Activites: Week 1 – Zebra cutting sheet
Week 2 – Picket Fence cutting sheet
(see attachments)

Fine Motor Patterns

Complete the pre-writing activities, which include: big body movements, movement instructions and pre-writing pattern worksheets.

Pattern: "Sideways, sideways, left to right"
(see attachments)

STEM

Can you make a little city like the one below?
Try using different boxes or containers.

Count how many wheels are on one car?
How may wheels are there on two cars?

Art and Craft

Make a card for your mum for Mother's Day. It can look like this or you can create your own. Don't forget to write your name inside the card!

Art and Craft

Go for a walk and collect different leaves and things from nature. Create a Leaf Man with these items.

Religious Education

Charades: Act out things you do with your family.

Prayer: As a family, say a prayer together thanking God for everyone in your family.

BLACK & WHITE SCAVENGER HUNT

- Find something soft that is white.
- Find something that moves that is black.
- Find something you can eat that is white.
- Find something you can wear that is black.
- Find 2 things that match that are white.
- Find something rectangular that is black.
- Find something that is white in your room.
- Name an animal that is black.
- Name something outside that is white.
- Find something you can draw with that is black.
- Name an animal that is black and white.
