

## Year 5 Art Activity for Home:

Hi everyone. These activities are for you to complete at home. If you can't complete them because of resources, then please be sure to make time for an art activity such as sketching your pets, siblings or things around your house. Make a quiet space and time to do so.

Research:

Who was Andy Warhol?

If you can, look at some of his art.

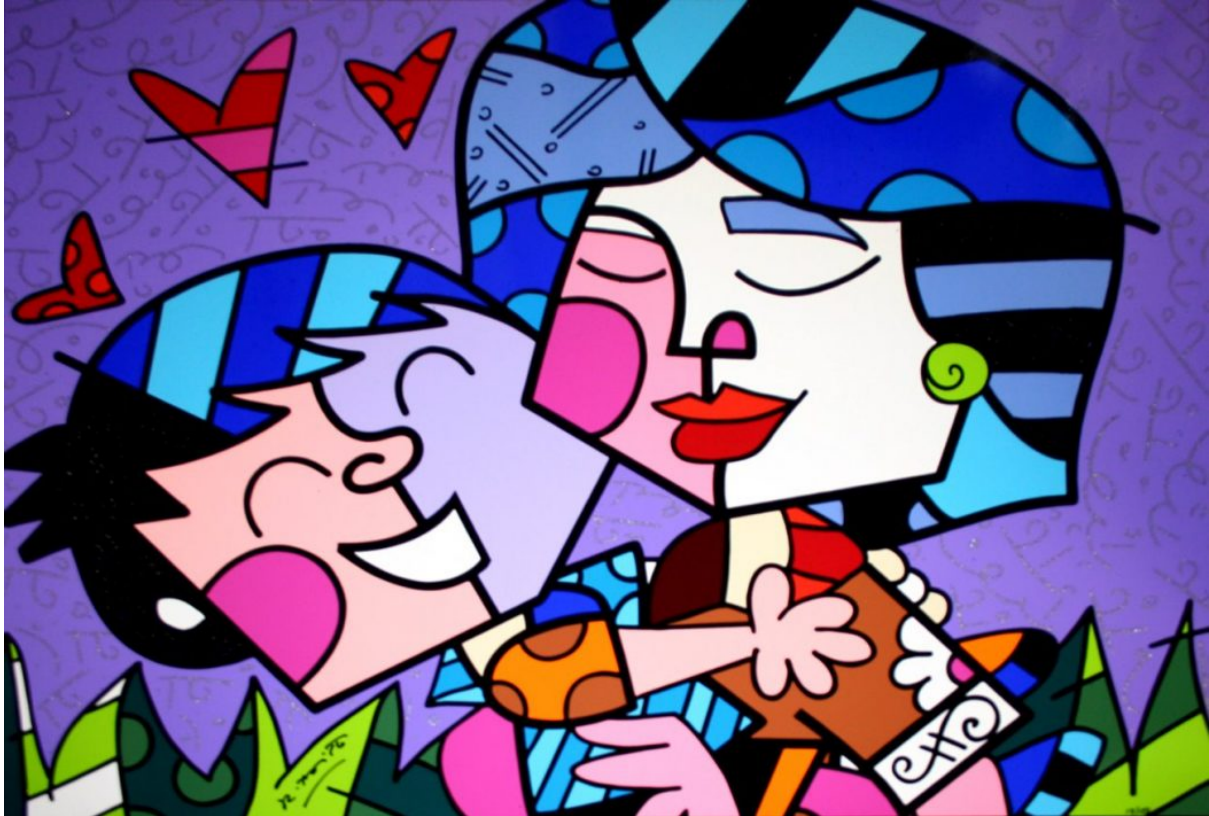

Look at something like a label on a jar, or a cartoon character.

Use an A3 page and divide it into six. Measure the size of one section of your page. Sketch the jar label or cartoon character that size. Make a template the size of one section of your page and trace

your sketch. Fill your page with the templated images and complete in texta.

Who was Romero Britto?

Look at his art.

Sketch an A3 abstract in the style of Romero Britto using bold texta or oil pastels to colour.
